e-Filing Strategic Plan

FROM:

Mr. Karl Heckart, AOC ITD Director, CIO

DISCUSSION:

Mr. Karl Heckart will review the statewide initiative for e-filing, presenting approaches to making the Chief Justice's vision a reality sooner rather than later. The accelerated timetable associated with the e-filing initiative requires a change in technical strategy and a roadmap to arrive at a comprehensive solution.

RECOMMENDED COUNCIL ACTION:

Approve the direction for statewide e-filing and roadmap, as recommended by Commission on Technology (COT).
