TABLE OF CONTENTS

	PAGE
A. INTRODUCTION	1
B. FINDINGS AND RECOMMENDATIONS	2
1. Best practices in Arizona and elsewhere for making and storing the record of various types of court proceedings	2
2. Rules and statutes that are obstacles to using the best and most appropriate methods of keeping the record	7
3. Standards needed to protect the on-going availability and integrity of the record of judicial proceedings	10
4. Record retention standards for paperless court reporter notes and electronic recordings	13
5. Recording a deposition with either video or audio equipment in lieu of a stenographic court reporter	14
6. The role of the court reporter in managing the various reporting technologies	15
7. Public access to electronic recordings of court proceedings made by courtroom clerks to assist in drafting minute entries	15
8. Electronic recording technology should be officially sanctioned as a permissible means of making the record in many hearing types and absent a timely request for a reporter	16
